

MARIE & CECILE ALBRECHT - BLEGER

Gewurztraminer Reserve

Grape: Gewurztraminer

Location: Our vineyard is located in Orschwihr in the lower part of Alsace. The Gewurztraminer comes from the Bollenberg hill, one of the two hills surrounding the village of Orschwihr. It has a unique microclimate that enables rare and protected species of Mediterranean flora to grow.

Soil: The soil is very rich in limestone and clay

Tasting: 10°C

Alcohol: 13% Vol.

Aging: 4-5 years

Sugar: Medium Sweet, 4

Character: The Gewurztraminer has a powerful bouquet with some typical flavors of roses and litchi. Well bred white wine, full bodied, and well constructed with a great peppery elegance.

Pairings: Pairs well with exotic and spicy dishes, sweet and salty dishes, and strong cheeses. Will charm your parties as an aperitif or with a dessert of fresh fruits.
