POINTS

**75% Cabernet Sauvignon**  
**25% Merlot**

The 2011 growing season started cool and wet. Summer temperatures remained below average. Thankfully very little rain late in the season allowed the fruit to reach ripeness. Lower brix and higher acid made for a classically balanced vintage. 75% New French Oak, 25% Neutral French Oak

On the nose there are vibrant aromas of mint, cherry, juniper, coriander, molasses. In the mouth silky smooth tannins give this medium bodied wine a long finish.
